For the Annual Mail-in Request page, consider selecting YES so that you won't have to make another application for a mail-in ballot for the General Presidential Election on November 3.

In this case your County will automatically send you a mail-in ballot for the Primary (June 2nd) and in October for the General Presidential Election (November 3rd). If the pandemic has subsided and you decide that it is safe to vote in-person **on November 3rd**, you can simply bring your **blank** mail-in ballot **and the envelope containing the declaration of the elector** to your polling place. After you hand it in you will be asked to **sign a form declaring that you are not voting by mail-in ballot** and then you will be able to vote in person.

A few days after you complete your online mail-in ballot application successfully you will be notified that your application was received. You can also check the status of your mail-in ballot using this link:

<https://www.pavoterservices.pa.gov/Pages/BallotTracking.aspx>.

If you have any questions about the status of your ballot, contact your County's Mail-in Ballot Office listed in the following page.
